Any service to or replacement of a part or accessory to the Vehicle during the rental period must have Lessor's prior approval or such actions are at Renter's own risk and expense. Renter acknowledges that he or she acquires no rights other than those stated expressly in this Agreement and that Lessor makes no warranties, express or implied which extend beyond the description on the face hereof.
3. Renter shall return the Vehicle, together with all tools, tires, accessories and equipment to the place and at the date and time specified on the reverse side hereof or sooner on demand by Lessor, in the same condition as when received, ordinary wear and tear excepted. Each and every item of information contained the reverse side hereof is material to Lessor's decision to rent the Vehicle to Renter, and Lessor relies of all such information.
5. Renter shall pay Lessor all time and mileage \*, service minimum or other charges in accordance with any of the provisions of this Rental Agreement. In addition, Renter shall pay Lessor all the following which may come due: (a) All fines, penalties, forfeitures, court costs and other expenses that may be assessed against Lessor but which are due by reason of Renter's care, custody, control, possession, operation or use of the Vehicle; (b) Lessor's costs, including reasonable attorney's fees and court costs, which shall include costs through trial and appeals, paralegal fees and sales tax thereon incurred in collecting any and all charges due from Renter to Lessor pursuant to this Agreement; and (c) If the Renter fails to return the Vehicle as required under this Agreement, the lessor will retrieve the Vehicle for which and additional charge will be made. - (d) In the event Renter breaches this Agreement, Lessor shall be entitled to retain any and all deposits and other funds paid to Lessor by Renter, and Renter shall be liable for any and all additional damages to Lessor. \* The mileage computation will be determined by reading the standard mileage recording device attached to the Vehicle by the manufacturer.
6. Lessor is not liable for loss or damage to any property left, stored or transported by Renter or any other person in or upon the Vehicle either before or after the return of the Vehicle to Lessor, or for loss of time, expenses, or any other loss incurred by Renter due to mechanical breakdown, accident or any other cause, whether or not said loss or damage was caused by or related to the negligence of Lessor, its agents, servants or employees. Renter hereby assumes all risk of such loss or damage and waives all claims against Lessor by reason thereof and Renter hereby agrees to hold Lessor harmless from and to defend and indemnify Lessor against all claims based upon or arising out of such loss or damage, including loss or damage resulting from Lessor's negligence.
7. Renter shall be insured under Lessor's automobile liability insurance policy only if Renter has no other automobile insurance available to Renter with respect to Renter's use of the Vehicle. However, if Renter is part of prepaid tour package where a written agreement for car rentals exists between the Lessor and the tour operator, which includes a provision for the Lessor to provide primary liability insurance, then rental company's insurance shall provide primary coverage but only with respect to third party liability claims. The limits of liability available to renter under rental company's automobile liability policy shall in no event exceed the limits of liability specified in the Financial Responsibility Law in the State of Florida. Renter waives prior notice, procedure hearing and judicial process as prior conditions to Lessor's Repossession.
11. In the event of loss or damage to the Vehicle while in the possession of Renter, whether or not due to the fault of Renter. Renter shall pay Lessor upon demand the amount of such loss or damage, including Lessor's expense and loss of use damages (Loss of use is defined as the number of days from date vehicle is damaged until it is repaired, multiplied by daily rental rate as reflected in the contract). If the collision damage waiver has been accepted at the time of the rental by the Renter initialing the line labeled accepts or decline optional services as shown above CDW, and Renter has paid all fees required for Collision Damage Waiver, then the Renter is not liable for collision damage to the vehicle occurring while Renter is operating the vehicle under this clause, provided renter is not in violation of any of the terms of this rental agreement. 12. Renter shall defend, indemnify and hold harmless Lessor from and against any and all losses, liabilities, damages, injuries, claims, demand, costs and expenses, including attorney's fees as defined in 5(b) above arising out of or in connection with the possession of or use of the Vehicle by Renter, which are not covered by the insurance provided hereunder by Lessor, including but not limited to any and all claims from or liabilities to third parties, which Lessor may incur as a result of or arising out of the abandonment, conversion, secretion, concealment, theft or unauthorized sale of the Vehicle, or any other act of Renter its driver, agents or employees or the confiscation of the Vehicle by any duly constituted public authority by reason of the use of the Vehicle, or any other statue, law, ordinance, and of no effect.

This Agreement does not create any implied consent in favor of Renter to allow person other than those named on the reverse side hereof to operate the Vehicle. Any such action by Renter is a breach of this Agreement.
14. Renter's failure to observe reasonable care in the operation of the Vehicle, including observation of dashboard warning lights, normal safety precautions, and any observable mechanical breakdown shall be a breach of this Agreement. Renter shall be conclusively presumed to have failed to use reasonable care in the event the Vehicle is stolen and Renter does not have possession of the original keys furnished to Renter. Only one set of keys shall be furnished.
15. The Renter shall report all accidents to the police and to the Lessor immediately and shall complete all forms required by the insurance company under the policy maintained by the Lessor. A complete police report from the scene of the incident must be provided in the event of any loss or damage to or resulting from operation of the Vehicle.

21. No waiver by us of any breach of this Agreement constitutes a waiver of any additional breach or waiver of the performance of your obligations under this Agreement. Our acceptance of payment from you or our failure, refusal or neglect to exercise any of our rights under this Agreement does not constitute a waiver of any other provision of this Agreement. Unless prohibited by law, you release us from any liability for consequential, special or punitive damages in connection with this rental or the reservation of a vehicle. If any provision of this Agreement is deemed void or unenforceable, the remaining provisions are valid and enforceable.
